

Arts Program

The East-West Center Arts Program presents performances and exhibitions by the finest artists and performers in the Asia Pacific region. Our East-West Center audiences encounter a world of tradition and innovation that spans the ancient and contemporary in the visual arts, music, dance and theatre. For more than three decades, Arts Program presentations have educated, enlightened and entertained audiences of diverse backgrounds and ages, illuminating cultural values and art forms of national and ethnic groups in the region. The Arts Program exhibitions and performances reach more than 20,000 people annually throughout Hawai'i and through outreach programs give the young people of Hawai'i the opportunity to expand their horizons and increase their understanding of this diverse world.

"The East-West Center's Arts Program is an invaluable resource to teachers and students. It has introduced us to cultures otherwise left to anonymity. The greatest joy is to hear a parent say that their child has taught them about a culture that they had never heard of!"

- Puanani Mill Ka'ai, Former Principal, Mid-Pacific Institute

Arts 'Ohana

The **East-West Center Arts 'Ohana** (established in 2005) is a group of individuals who support the goals of the Arts Program. Celebrate the 10th anniversary of the Arts 'Ohana by becoming a member. While the basic operating costs of the Arts Program are covered from other sources, your membership and contributions are needed to support exhibitions and performances by visiting artists from Hawai'i and throughout the Asia Pacific region.

"I was so pleased to learn about the Arts 'Ohana when I moved to Hawai'i. I saw it had a critical role in connecting the East-West Center to our local community and in reminding Honolulu of its central place in the Asia Pacific region. Please join us."

- Dr. Richard Kennedy, Arts 'Ohana Chair
