The East-West Center is an education and research organization established by the U.S. Congress in 1960 to strengthen relations and understanding among the peoples and nations of Asia, the Pacific, and the United States. The EWC Arts Program is excited to offer exhibitions and performance-demonstrations to school groups in 2019-20. Through the visual and performing arts, young audiences are better able to understand, appreciate, and respect the peoples and cultures of the Asia Pacific region.

All of the following exhibitions and performance demonstrations are FREE to K-12 schools, but donations are welcome. EWC is able to assist with bus transportation in some cases, please inquire for details. EWC Arts educational outreach programs connect easily to Hawai‘i school standards. For details visit the EWC Arts Program website at http://arts.eastwestcenter.org/outreach.

The EWC Gallery is located at 1601 East-West Road (corner of Dole Street and East-West Road), adjacent to the UH-Mānoa campus; performances are held at various locations.
